11 v.

12 UNITED STATES OF AMERICA,  
13 Defendant.

Case No.: 2:19-cv-01655-GMN-NJK

**ORDER**

[Docket No. 43]

14 Pending before the Court is Plaintiffs' motion for leave to file under seal certain exhibits  
15 attached to their response to Defendant's motion for summary judgment. Docket No. 43.

16 Pursuant to the Court's order at Docket No. 36, where the sole ground for a motion to seal  
17 is that the opposing party has designated a document as confidential, the opposing party, within  
18 seven days of the filing of the motion to seal, must file either (1) a declaration establishing  
19 sufficient justification for sealing each document at issue or (2) a notice of withdrawal of the  
20 designations and consent to unsealing. Docket No. 36 at 2. If neither filing is made, the Court  
21 may order the documents unsealed without further notice. *Id.*

22 Here, Plaintiffs submit that certain exhibits attached to their response to Defendant's  
23 motion for summary judgment should be filed under seal because Defendant has designated these  
24 documents as confidential. Docket No. 43-1 at 3, 6. Plaintiffs filed the instant motion on January  
25 6, 2021. Docket No. 43. Defendant, however, has failed to comply with the Court's order. *See*  
26 Docket.

27 Accordingly, Defendant is hereby **ORDERED** to file either a declaration establishing  
28 sufficient justification, with appropriate caselaw citations, for sealing each requested document or

1 a notice of withdrawal of the confidential designation, no later than January 19, 2021. Failure to  
2 comply with this order will result in the unsealing of the documents without further notice.

3 IT IS SO ORDERED.
